

Stone Hill Science Fiction Association Meeting Directions

The Lovers Lane Gang at their New House:
 5902 Thonotosassa Road
 Plant City, FL 33565
 813-982-9616

The new house is in the Plant City area. Take your favorite route to east I4 toward Plant City. (warning: In Plant City, the roads do not always have the same name on the same road. Watch out for this below)

Leave I4 at Exit 17 (old exit # 10), Branch Forbes Road. Exit here and head North. If you are going the correct way, you'll see a tyrannosaurus on your left.

Continue North for 1 mile to the **SECOND** 4-way stop. Not the first. Even though it says Thonotosassa Road on the right, **Don't Turn.**

At the second 4-way stop, turn left (west) on **THIS** part of Thonotosassa Rd. (see what I meant about name changes? A bunch of roads around here do this.)

Continue West for 1 mile. On your right, you will see a large strawberry field. The house is the property right after it. Pull into the driveway and follow the Parking sign through the gate into the front yard.

Oh yeah! We also have a pool, so bring your bathing suit & be sure you know where your towel is!
